- All current approved bat lists are in place.
- Both the Mat and the Plate will be deemed a strike.
- The arc limit for pitchers will be 6-10 feet.
- We will use a "floating mound" for pitchers safety. The pitcher can pitch from the 50' mound and back to a chalk line at 60'. Pitchers must be able to touch the width of a traditional mound whether using it or not. (Cannot move off of the imaginary line from home plate to 2nd base)
- Absolutely no speakers, radios, boom boxes playing music during the game.
- There is a 12 run, run rule in effect after 5 innings are played. The home team will get to hit if applicable to stay in the game. If the visiting team is down by 12 or more after the top of the 5th, the home team does not need to hit.
- There will be 10 fielders on defense, and the batting line up can consist of 10 or 11 (if an AH is used).
