

Applefest 2024

The Thiensville-Mequon Lions Club will be hosting its 9th annual Applefest in Thiensville Park on Sunday, October 6, 2024 from 11am – 5pm. Applefest is a celebration of the autumn harvest and Ozaukee County's apple heritage. What makes this event so great is the charming small town atmosphere in a beautiful park on the shores of the Milwaukee River. Applefest will feature live Polka Music, along with vendors of fresh apples and apple cider, as well as other fall treats and art & craft vendors. This is a family friendly event highlighted by hay rides, barrel train, an apple pie baking contest, coloring contest, and face painting. Applefest will feature delicious apple brats along with apple pies and other food and beverages. The Lions Club invites everyone to this event to experience one of the best fall festivals in the Milwaukee area.
